**KEEP FURNITURE CLEAN LIKE NEVER BEFORE**  
Maintain the Natural Beauty of Your Leather Upholstery with Crypton Eco-Friendly Products!

**Why use Crypton Leather Care Products**  
Crypton Leather Protector provides protection against stains while restoring luster and softness to any leather. Natural additives reduce the impact of shoe soles to help reduce fading. The water based chemistry uses advanced polymers that help repair dyes.  
Crypton Leather Cleaner will safely clean leather and more remove tough stains like ink, grease, food and beverage without removing the finish treatment. It contains optical brighteners that restore the beauty of original finishes and contains light blockers that help with UV protection by deflecting light rays.

**KEEP FURNITURE CLEAN LIKE NEVER BEFORE**  
Maintain the Natural Beauty of Your Wood Furniture with Crypton Eco-Friendly Products!

**Why use Crypton Wood Care Products**  
Crypton Wood Polish adds protection to the wood surface and restores the beauty of the original finish. Natural additives reduce the impact of shoe soles to help reduce fading. The water based chemistry uses advanced polymers that help repair dyes.  
Crypton Wood Cleaner safely and effectively cleans wood surfaces while maintaining the protection structure along with the finish.

**KEEP FURNITURE CLEAN LIKE NEVER BEFORE**  
Maintain the Natural Beauty of Your Stone Surfaces with Crypton Eco-Friendly Products!

**Furniture Manufacturers Recommend that you Seal and Clean Your Granite, Marble and Other Stone Surfaces**  
Crypton Stone Sealer provides protection from spills and stains. It is undetectable on the surface and will not change the look or gloss level of the stone. Natural additives reduce the impact of shoe soles to help reduce fading. The water based chemistry uses advanced polymers that help repair dyes.  
Crypton Stone Cleaner is designed to work with the sealer and dissolve soils and stains on the surface, so they can be lifted up with a stone dry cloth. It will not damage glass stone surfaces.
